

# *Fluffy Mermaid-Scented* **DIY Whipped Body Butter**

## Ingredients

- ♥ 3 oz. Shea Butter
- ♥ 1 oz. Coconut Oil
- ♥ 1/4 tsp Arrowroot Powder
- ♥ 3 mL Mermaid FO
- ♥ 1 mL Vitamin E Oil

*This recipe makes about 4 ounces.*

## Directions:

1. Place the shea butter in a microwave-safe container and use a spoon to break up into smaller chunks.
2. Add the coconut oil and heat in microwave for 30 seconds to soften the shea butter.  
*\*\*\* The butter should not be melted. \*\*\**
3. Remove and place the shea butter and coconut oil mixture into a large mixing bowl. Add vitamin E and mermaid fragrance oils.
4. Using a hand mixer, begin to whip the shea butter and oils. Raise the speed to high and mix for 10 minutes.
5. Add 1/4 teaspoonful arrowroot powder and blend in. Mix on low for a few moments then raise the speed to medium. Continue to whip for about 5 more minutes until the body butter is fluffy and whipped and almost double in size.
6. Turn off mixer and scrape every 5 minutes until light and fluffy.
7. Store your body butter in two 4-ounce jars or one 8-ounce jar.

## How To Use:

Apply this body butter as needed for radiant and beautiful skin.
